Sidney Township  
Proposal for Renewal of Fire Safety Services Millage

This proposal will allow Sidney Township to levy an additional (renewal) 0.50 mills on all taxable property within the Township for a period of five (5) years to provide funds to operate fire safety services.

Shall the limitation on the amount of taxes which may be assessed against all property within Sidney Township be increased by 0.50 mills for a period of five (5) years, 2022 through 2026, both inclusive, to finance fire safety services in Sidney Township? Approval of this proposal would permit a tax of \$0.50 per \$1,000.00 of taxable value on all taxable property within Sidney Township. This proposal millage is subject to applicable constitutional tax limitation provisions at the time of the levy and will not exceed the above-stated limitation rate. It is estimated that this proposed millage would, if approved and levied, result in the authorization to collect \$33,902 in the first year.
