PUBLIC COMMENTS.

There are no public comments.

OLD BUSINESS.

Treatment of Milfoil and Chara

NW section of the lake from the public access to the N channel is flooded with plants. Board decided to have Mike from RLS take a look into the issue and include his findings in the next survey. Ken is to contact Lou and provide an update on the discussion and next steps.

NEW BUSINESS.

Mike Solomon – Restorative Lake Sciences

Survey scheduled for April 27, 2021. Treatment is scheduled to start in May. Mike advised of new rules concerning copper sulfate. No copper sulfate is to be used within 10 feet of the shore during the spawning season from May through June. Mike also stated that algae problems should be taken into consideration. Board will proceed as planned with treatment.

There being no further business to come before the Lake Board, a motion was made by Joel and seconded by Todd to adjourn the meeting at 4:21 p.m. Motion carried.
