

CLIFFORD LAKE
LAKE IMPROVEMENT BOARD
MEETING

June 9, 2021

A meeting of the Clifford Lake, Lake Improvement Board was held at the Montcalm County Drain Commission, 211 W. Main Street, Stanton, Michigan on the 9th day of June 2021 at 4:00 P.M.

The meeting was called to order by Chairman Koepke at 4:03 p.m.

PRESENT: Tom Koepke, Chair
Abutting Property Owner

Todd Sattler, Secretary
Montcalm County Drain Commissioner

Adam Petersen, Member
Montcalm County Board of Commissioners

Michon Wieson, Member
Douglas Township Representative

Larry Deuel, Member
Douglas Township Representative

ABSENT: All Present

ALSO

PRESENT: Pam Tynning, Progressive AE
Meghann McKnight, Drain Commission
Anne Gaylord, Drain Commission
John & Katie Otto, Property Owners

A motion was made by Todd and seconded by Michon to approve the agenda. Motion carried.

A motion was made by Michon and seconded by Larry to approve the minutes from September 9, 2020 as presented. Motion carried.

PUBLIC COMMENTS.

Katie advised that the treatments seem to be working, she had made several trips out into the lake and saw a noticeable difference in the number of weeds and was seeing them die off as her trips out were further from the treatment date. John brought up the previous finance sheet regarding the previous \$1,000.00 charges for county allocations. Meg

advised of the new process and advised that this amount decreased to \$348.50 for 2020 and has not been taken out to date. It was also asked why engineering prices dropped from \$2,250 a quarter to \$1,700 and then back up to \$2,000 in 2020.

OLD BUSINESS.

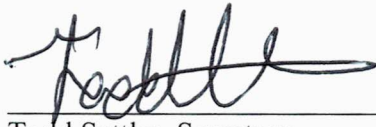

No Old Business

NEW BUSINESS.

Weed Control Program

Pam provided an update on the treatment applied on 6/7 for milfoil and curly leaf. A PerCellacore and diquat mixture was used to treat 9 acres of the lake, and the rest was treated with straight diquat. Pam advised that this was a spot treatment, verses a whole lake treatment that the board thought it was going to be. Pam advised that these chemicals are not meant for a whole lake treatment, and only a spot treatment. Flumioxisan was used to treat the North channel.

There being no further business to come before the Lake Board, a motion was made by Michon and seconded by Adam to adjourn the meeting at 5:04 p.m. Motion carried.

Todd Sattler, Secretary
Clifford Lake, Lake Board
