Weed Program Update

Rick provided a treatment update to the board. He advised that harvesting worked very well by the end of the season and it helped to bring spending in at \$3,300 under budget for the season. Rick recommends retaining the contractor through the contract. Steve asked if more treatment could be done in the South West corner and the entirety of the South shoreline. Rick said he will add that to the program for next year.

There being no further business to come before the Lake Board, a motion was made by Steve and seconded by Pat to adjourn the meeting at 4:35 p.m. Motion carried.
