RESOLUTION 2022-07
BUDGET RESOLUTION - GENERAL APPROPRIATIONS ACT

At a meeting of the ***Board of Commissioners*** of the County of Montcalm, held at the Administration Building in Stanton, Michigan on the 22nd day of August, 2022.

Present: Pat Carr, Adam Petersen, Jeremy Miller, Scott Painter, Michael Beach, Chris Johnston, Phil Kohn, Ron Baker, and Kathy Bresnahan.

Absent: None

It was moved by Commissioner _____ and supported by Commissioner _____ that the following Resolution be adopted:

WHEREAS, the Montcalm County Board of Commissioners (“Board”) has examined the fiscal requests for 2023 of the various departments, agencies, offices and activities (“budgetary centers”) which by law it must finance or assist in financing; and

WHEREAS, the Board has taken into consideration the fact that there are certain required functions of county government or operations which must be budgeted at a serviceable level in order to provide statutory and constitutionally required services and programs; and

WHEREAS, the Board has given officials responsible for providing such mandated services the opportunity to determine serviceable levels and the funds to sustain such levels;

WHEREAS, the Uniform Budgeting & Accounting Act (“UBAA”), MCLA 141.21 *et seq.*, requires that the Board enact a general appropriation act designed to meet all County-funded expenditures;

NOW THEREFORE BE IT FURTHER RESOLVED, that the County Treasurer is hereby directed to collect 4.3066 mills for the County’s general operations, .6500 mills for the maintenance and operation of an Ambulance and Rescue Service, .8818 mills for the purpose of providing funds for local libraries in Montcalm County, .4200 mills for the Commission on Aging for Senior Citizen Services, .1959 mills for the purpose of funding Montcalm MSU Extension/4-H Program and Montcalm Conservation District, .9799 mills for the purpose of funding County Law Enforcement, and .2459 mills for the funding of Veterans’ Services, for a total of 7.6801 mills levied for all county operations.

BE IT FURTHER RESOLVED, that the amounts indicated in the attached “Budget by Department” are hereby appropriated from the General Fund and other funds of Montcalm County according to the activities and/or statutory requirements of the budgetary center and the provision of this Act.

BE IT FURTHER RESOLVED, that Montcalm County will reimburse mileage in accordance with the County of Montcalm Expenditure Procedures/Policy at the Internal Revenue Service rate per mile.

BE IT FURTHER RESOLVED, that the fee charged by Montcalm County for boarding of inmates from other jurisdictions will be determined by the Sheriff and the County Controller/Administrator.

BE IT FURTHER RESOLVED, that the revenues received by the County under Public Acts 106 and 107, 1985, (Convention Facility Tax revenue) shall not be used to reduce the County's 2022/2023 operating millage as defined by Public Act 2, 1986. In accordance with Public Act 2, 1986, 50% of the actual Convention Facility Tax revenue not used to reduce the County's operating tax rate shall be appropriated to the Substance Abuse Coordinating Agency for use in substance abuse programs in Montcalm County, with the remaining revenues to be deposited in the County's General Fund.

BE IT FURTHER RESOLVED, that it is understood that revenues and expenditures may vary from those which are currently contemplated and may be changed from time to time by the Board of Commissioners during the 2023 fiscal year, as deemed necessary. Consequently, there may be a need to increase or decrease various portions of the budget and/or reduce the workforce due to unforeseen financial changes; therefore, the Board of Commissioners reserves the right to change the Staffing Control Summary at any time. The County Elected Officials and County Department Heads shall abide by whatever changes are made by the Board of Commissioners, if any, relative to the approved positions and the number of employees stated in the Staffing Control Summary.

BE IT FURTHER RESOLVED, that authorization to hire an additional employee, or reclassify an existing employee, that has not been budgeted in the 2023 Staffing Control Summary during the 2023 fiscal year shall be subject to approval by the Committee of the Whole.

BE IT FURTHER RESOLVED, that positions on the Staffing Control Summary which are supported by some grant, cost sharing, reimbursement, or some other source of outside funding are only approved contingent upon the County receiving the budgeted revenues. Upon notification that budgeted funding of a position shall not be received the Elected Official or Department Head shall immediately notify the County Controller/Administrator and the Committee of the Whole, and that position shall be immediately removed from the Staffing Control Summary if funding is exhausted.

BE IT FURTHER RESOLVED, maintenance agreements are essential to a variety of building and operating equipment. County Elected Officials and County Department Heads are authorized to renew existing maintenance agreements upon the approval of the County Controller/Administrator.

BE IT FURTHER RESOLVED, that the following regulations shall apply to these appropriations, and budgetary centers shall be deemed to have agreed to these restrictions and obligations by accepting funds pursuant to this Act or otherwise incurring expenditures in exception of County funding:

1. All terms in this Act shall have the meaning assigned to them in the UBAA. The term "budgetary center" includes all courts receiving funds through this Act.
2. All budgetary centers receiving funds herein shall abide by the UBAA and the Uniform Chart of Accounts referenced therein. Each administrative officer in charge of a budgetary center shall promptly provide the budget officer with all information, which the fiscal officer considers necessary and essential to the preparation of a County budget for the ensuing fiscal period.
3. The amounts appropriated herein shall be paid from the County Treasury at the time and in the manner provided by law and other applicable policies or resolutions of the Board, whether enacted to date or subsequently adopted.

4. Expenditures and revenues shall be recorded and reported in the manner provided by law. Fees and other money received by budgetary centers should be forwarded promptly to the County Treasurer and credited to the appropriate County Fund, except as otherwise provided by this Act or by any other act of the Board.
5. Except as otherwise provided by law, each budgetary center shall limit expenditures within the appropriations authorized herein and shall not attempt to expend funds at a rate which will eventually result in a deficit within the budgetary center without the approval of the Board. Further, all expenditures of the County funds and other funds under the control of any budgetary center, except as otherwise provided by law, shall be expended only for purposes attached to the accounts and within the various policies of the Board of Commissioners, including, but not limited to, travel policy, purchasing policy, vehicle-use policy, applicable collective bargaining agreements, applicable personnel policies, and the "County of Montcalm Expenditure Procedures/Policy", the latter being attached hereto and specifically approved by the Board herein. The County of Montcalm shall only be responsible for the payment of purchases made in accordance with the provisions of MCLA 46.13B and the UBAA.

- 5a. All Court budgetary centers' (Circuit Court, Circuit Court Probation, District Court, District Court Probation, Probate Court, and Juvenile Probation) budgets will be administered in accordance with Supreme Court Administrative Order 1998-5.
- 5b. In the event that State of Michigan fails to provide certain revenue transfer payments as required by state law and/or contractual agreements between the State of Michigan and Montcalm County, the specific programs funded by such state revenue transfer payments shall bear the full impact of such revenue reduction. In the event that the State of Michigan defaults or otherwise fails to provide general, unrestricted revenue transfer payments, the Board shall allocate said revenue reduction in its legislative judgment.

THE MONTCALM COUNTY BOARD OF COMMISSIONERS CANNOT, AND WILL NOT, ABSORB THE PROGRAM COSTS CREATED BY REVENUE TRANSFER PAYMENT DEFAULTS BY THE STATE OF MICHIGAN.

6. If a budgetary center desires an additional appropriation or transfer between accounts it shall forward a detailed request to the Board describing the proposed budgetary amendment or transfer and the reasons for the action. The County Controller's Office is given authority to make line item transfers within budgetary centers except to increase conference travel line items and to increase capital expenditure line items. Line item transfers affecting the budget of a wage line item require the approval of the Board of Commissioners.
7. Except as otherwise provided by law, the number of positions noted for certain budgetary centers in their salary account appropriations shall be the maximum staffing level authorized to be drawn from such accounts. No budgetary center shall maintain more employees on the payroll than the maximum specified for the appropriate account.
8. This Act shall become effective October 1, 2022. This Act may be amended by the Board at any time and any appropriation made hereunder may be increased or decreased in the Board's discretion.

9. This Act and attachments as incorporated by reference herein and all amendments hereto shall constitute the 2023 General Appropriations Act for Montcalm County for all purposes and the law.

RESOLUTION ADOPTED

DATE: 22nd day of August 2022

County of Montcalm Expenditure Procedures/Policy

Summarized Process for Departmental Spending

- Verify availability of funds in appropriate line item.
- Procure purchase order from Controller's Office as needed.
- Implement the quote/bidding process, if necessary.
- Authorize and code voucher/invoice to appropriate line item.
- Process voucher/invoice in BS&A for payment.

Equipment & Vehicle Purchases

Equipment and vehicle purchases of \$5,000 or more require a purchase order issued by the Controller's Office. Items with a unit cost between \$5,000 and \$15,000 may be purchased after obtaining three (3) price quotes. All price quotes must be submitted with the purchase order request. Items costing over \$15,000 will require competitive bids based on specifications developed by the Department Head. The Department shall be responsible for requesting bids from vendors; however, the bids must be received, via mail or hand delivery, by the Controller's Office prior to opening. Bids shall be approved by the County Controller/Administrator, upon verification of available funds. This procedure shall be followed for purchases made from any fund, line items 974.000 through 981.000.

Asset Capitalization

It shall be the policy of the County that all purchases in excess of \$5,000 (per unit) for building, equipment, and vehicle expenditures (utilizing line items 974.000-981.000) shall be considered a capital asset of the County and may have a purchase order issued by the Controller's Office prior to making the purchase.

Request for Proposal (RFP) - Services

Any vendor receiving in excess of \$25,000 for services on an annual basis shall be evaluated, on or about a three (3) year schedule, by the Controller's Office and the Department Head. If it is mutually determined that an RFP is necessary, then it is up to the Department Head to follow through with the bidding process as previously set forward.

Advanced Payment of Bills Prior to Warrant Approval

The Controller's Office is authorized to issue a check prior to the board audit for the payment of such bills and invoices with a due date prior to the next meeting of the Board, whether it be a Board of Commissioners meeting or Committee of the Whole meeting. Those bills and invoices may include, but are not limited to: phone bills, fuel bills, utility bills, postage invoices, credit card bills, maintenance contract invoices, and employee benefit billings.

Warrant Procedures

- a. ***All bids and claims*** - must be entered by the department via the BS&A Financials Software utilizing the appropriate line-item number and approved by the Department Head or their designated staff member. Sufficient funds must be in the line item budget to cover cost of purchases charged, or have prior approval of the Board of Commissioners.
- b. ***Vendor Bills*** - are paid on an itemized invoice only. The Board will disallow claims submitted on a statement of account. This is to permit the Board to ascertain that a charge is for county use. This invoice must contain a description of supplies, service, materials or equipment charged, as well as the cost.
- c. ***Personal Expense Reimbursement*** - must be submitted on a County Travel Expense Voucher. A receipt must be attached to the voucher to support all reimbursement claims for meals, lodging and public transportation.

Meals - the County will reimburse for meal expenses for employees who must be outside of Montcalm County because of county business.

Mileage - the County will reimburse employees who drive their personal vehicle for county business. Normal travel between the employee's home and place of work is not a permitted expense. Therefore, all mileage claimed must describe the point of departure and the employee's destination, as well as the exact mileage between these two points. Claims for mileage reimbursement shall show travel originating from the employee's official work station, (in most cases this would be Stanton) to the travel destination. Travel must terminate back at the employee's official work station. This rule does not mean that an employee must always drive to their work station prior to beginning county travel, nor does this mean that employees must always return to their work station after finishing county travel. However, mileage reimbursement shall only be made from the work station to travel destination, and return to the work station. The only exception to this rule would be if the employee's home is closer in proximity to the desired destination and they are starting their workday at the destination. Then travel may be calculated from the employee's home.

Exception: Salaried (not hourly) employees who must report to their work station at a time other than normal working hours, (i.e. meetings, maintenance issues) may request reimbursement for travel from home to the work station and return home. Hourly employees do not receive travel for overtime work because they must receive compensatory time off or be paid at the time and one-half wages for any work over forty (40) hours per week.

Conference Travel – (866.000, 866.001, & 866.002 are defined as) Expenses related to county personnel attending a pre-arranged conference, seminar, workshop, etc. relating to and benefiting both the employee and the County as a whole. Expenses budgeted for conference travel should include any or all of the following (as appropriate): lodging, meals, mileage and airfare.

Funds will not be expended for travel outside the state of Michigan unless prior approval for such travel is granted by the Board of Commissioners.

Requests for conference travel funds to be included in a departmental budget must be made annually during the budget hearings. Approved conference travel will be listed by department in the budget. Conferences attended by employees that do not have the prior funding authorization will be at the employees own expense.

County personnel may obtain advance funds to attend conferences. Requests for advances must be made no later than one (1) week prior to the date of the conference. Upon returning from a conference, an expense voucher must be prepared and submitted to the Board of Commissioners at their next scheduled meeting with receipts attached detailing actual expenses plus any expenses incurred in addition to the advance payment.

Payment cannot be made for conference travel expense that would exceed the authorized line item total without prior committee and Board approval and the transfer of appropriate funds. Conference travel expenses cannot be charged to other departmental line items.

Expenditure Account Coding

Department heads will process invoices for payment utilizing the BS&A Financial Software. The department head's electronic approval within the BS&A system will signify their approval to pay the bill/invoice, serve as proper receipt of the items by the department, and confirm adequate funds available to pay the invoice. One-Time Revenue Spending

It shall be the policy of the County that any/all revenue deemed to be received on a "One-Time basis" shall not be utilized in a manner in which to fund operating expenses that will have perpetual costs/consequences for years to come.

Deficit Spending in Line Items

Department heads may transfer funds from one line item to another without Board approval, with the following exceptions and after approval by the County Controller/Administrator:

- A. Transfers to or from a personnel line item requires the approval of the Board of Commissioners.
- B. Transfers to a Capital Outlay line item (974.000 to 981.000) greater than \$5,000.00 in amount require the approval of the Board of Commissioners.

Under no circumstance may a department head over-spend the budget allocations, whether by account or activity. Approval of line item transfers by the County Controller/Administrator does not constitute approval to increase the overall budget allocation. As soon as a department head realizes that spending will exceed a budget allocation, a request for a budget supplement should be prepared for the Board of Commissioners, stating the amount and the reason for the overrun.
