----------------------------------	--

A permit is required to occupy an easement, connect to or cross a county drain with utilities, roads, drives, etc., or modify a county drain. Fees shall be paid with the permit application submittal prior to construction drawing approval. Generally, no fee is required for connecting storm water discharges to a county drain.

Total charges incurred by the Drain Commissioner's office for engineering services deemed necessary to perform reviews and inspections shall be charged in addition to the above fees. Engineering services will be based on current hourly billing rates for actual time and reimbursable expenses.

Charges are to be paid by the Proprietor within thirty (30) days of invoice by the Drain Commissioner. Payment of all fees is prerequisite to approval.

Failure to make timely payment constitutes a violation, permits will be revoked, and the deposit will be forfeited.

Deposits will be returned to Proprietors of good standing upon receipt of construction record drawings (as-builts). No interest will be paid on deposit funds.
