Weed Control Program

Rick provided a treatment update to the board. Sara looked at the provided map and asked Rick to explain the color coding. Residents are happy with the navigation lanes and treatments. Rick is planning on a sonar treatment for the next year. There was a very large bloom in July. The Sonar treatment will be completed in April or May 2023. Sara asked if the Sonar treatment would hurt the fish. Rick said No, because the treatment works so slowly. Daniel asked what determines if an algae treatment is necessary. Rick said surveys are needed. Algae grows in warm water and nutrients

Financial Update
