

**DICKERSON LAKE
LAKE IMPROVEMENT BOARD MEETING**

October 12, 2023

A meeting of the Dickerson Lake, Lake Improvement Board was held at the Montcalm County Drain Commission, 211 W. Main Street, Stanton, Michigan on the 12th day of October 2023 at 3:30 P.M.

The meeting was called to order by Chairman Weller at 3:30 p.m.

PRESENT: Todd Sattler – Secretary, Drain Commissioner
Joel Black – Sidney Township Representative
Ken Weller – Chairperson, Douglass Township Representative
Shawn Adams – Abutting Property Owner’s Representative

ABSENT: Adam Petersen, Board of Commissioner’s Representative

ALSO

PRESENT: Mike Solomon, RLS
Anne Gaylord, MCDC

A motion was made by Shawn and seconded by Todd to approve the agenda as presented. Motion carried.

A motion was made by Todd and seconded by Shawn to approve the minutes from July 20, 2023, as amended. Motion carried.

Public Comment

Joel asked that the LIB send a thank you note to Lance from the DNR for fixing the boat launch. Shawn noted that he saw a small amount of dark green bacteria on the lake. Joel stated that he received a lot of public comment on the number of acres treated and asked that the pothole be treated for native plants. Mike advised of restrictions on treating native plants.

Treatment Update

Shawn noted that he saw a small amount of dark green bacteria on the lake. Joel stated that he received a lot of public comment on the number of acres treated and asked that the pothole be treated for native plants. Mike advised of restrictions on treating native plants. Ken asked what native weeds are in the pothole. Mike said there are a lot of pondweed and there is some Chara. He noted that it is a good area for fish because of the native weeds. Mike said Chara is probably causing a bit of a navigational issue in the pothole. Mike noted that they can only treat natives in the developed areas. He also noted that the pothole is treated with copper and that cannot be used until July. Joel asked that they bring out the air boat to treat the pothole. Ken asked why they don’t always bring out the air boat. Mike said airboats disperse chemicals more quickly. Mike noted that \$17,169 was spent on treatment this season and less than 20 acres of Eurasian Milfoil were treated. He added that Hydrilla has been found in Michigan and it will likely make its

way into Dickerson Lake. He advised that it is treated with ProCellacore and he would like to treat it as aggressively as possible if/when it makes it to the lake.

Financial Update

Ken provided a financial update to the Board including a current balance of \$53,790.53.

Other Business

Smith Dispute – Todd explained that the LIB has received a dispute on the assessment roll from Don Smith. Todd believes that the Board put a lot of time and effort into make the assessment fair for all property owners. Todd asked the Board if they would like to continue with the assessment and benefit factors as was resolved at the public hearing. The Board would like to stand by the resolved assessment and factors. Ken asked if the Board believes they could respond without an attorney to save the residents the cost. Todd and Mike explained that you do not have to hire an attorney to respond. Todd expressed concern that he would not handle it properly as he is not a lawyer. He advised that if costs for the dispute grow too high, they can be levied back to the disputing property owner. Shawn added that he would like to work with FSBR to file the response.

Meeting Notices – Joel asked that meeting notices be published in the Daily News to allow more residents a chance to come. Anne advised that can be done but would be an additional cost to the Board for each publication and would require a motion.

The next meeting date was noted for May 9, 2024, at 3:30 pm in the Drain Office.

A motion was made by Todd and seconded by Shawn for the Drain Office to communicate with FSBR to file a response to Don Smith's dispute on behalf of the Lake Improvement Board, at a cost not to exceed \$2,500.00. Motion carried.

There being no further business to come before the Lake Board, a motion was made by Shawn and seconded by Todd to adjourn the meeting at 4:18 p.m. Motion carried.

Parcel Identification Number(s): 59007-420-010-00 Class 402 - Residential Vacant	
Taxing Authority (City or Township) Douglass Township (Dickerson Lake Improvement Board)	County Montcalm

Section 4: Explain the Reason for this Appeal

1) This is an appeal of the apportionment of final costs to be levied in 2023 on petitioner's property for weed control special assessment approved by resolution of the Dickerson Lake Improvement Board on July 20, 2023. A public hearing confirming the roll was held on July 20, 2023 and petitioner appealed the apportionment of costs at this hearing by hand-delivered letter on July 13, 2023. See Attachment A for meeting minutes, resolution and copy of petitioner's letter appeal.

2) The special assessment on petitioner's properties should be declared invalid because there is a substantial, unreasonable disproportionality between the amounts assessed and the value which accrues to petitioner's land.

3) The market value of petitioner's unbuildable lots does not increase as a result of the improvements. The township has acknowledged in writing that lots 10-16 are unbuildable. (Parcel numbers 59007-420-010-00, 59007-420-011-00, 59007-420-012-00, 59007-420-013-00, 59007-420-014-00, 59007-420-015-00, 59007-420-016-00). Subsequent to that acknowledgement, petitioner purchased additional parcels 59007-420-017-00, 59007-420-018-00 and 59007-032-015-01 which are also vacant, undeveloped, unbuildable and undevelopable.

4) The special assessment for weed control at the Dickerson Lake apportions some of the project costs to petitioner's parcels despite the fact that the project does not confer a benefit to those parcels beyond that of the community as a whole - specifically the benefit the petitioner parcels and the community as a whole receive- the ability to launch a boat on the lake.

5) The lake board refuses to clean-up the weeds in the shoreline and in the channel.

6) All contiguous parcels under appeal are recognized as contiguous parcels by the township Assessor. All petitioned parcels are contiguous to the petitioner's primary residence. Although the special assessment levied on the primary residence parcel is not under appeal, the Principle Residence Exemption for that parcel (59007-420-049-50) is also applicable to the petitioned parcels except for parcel numbers 59007-420-022-00 (Lots 22 and 23) and Parcel 59007-420-019-01 (Lots 19 and part of 20) which are improved with mobile homes and are rented.

7) Petitioner's primary parcel is on the channel and, although not under appeal here, is apportioned a \$92.97 special assessment to be levied in December 2023. The petitioned contiguous parcels are apportioned special assessments totaling \$1182.21 to be levied in December 2023. Because these are contiguous parcels and for the other reasons stated herein, the petitioner believes the correct apportionment would recognize the petitioner's primary residence parcel and the contiguous parcels as one parcel for the purpose of weed control special assessment. The total acreage for petitioner's parcels (including the primary residence 59007-420-049-50) is 2.8 acres more or less.

8) Petitioner believes that treating the petitioned parcels as one parcel with his primary residence parcel would be fair and equitable especially since the contiguous lots are largely unbuildable and there is a 10 acre parcel directly adjacent to parcels 59007-420-017-00, 59007-420-018-00, 59007-420-019-01 and 59007-032-015-01 that is only apportioned a special assessment in the amount of \$185.95. This is an inequitable apportionment of the special assessment costs to the petitioner parcels.
