

**INDIANHEAD LAKE  
LAKE IMPROVEMENT BOARD  
HEARING OF PRACTICABILITY & REVIEW OF APPORTIONMENTS  
August 8, 2024**

A special meeting of the Indianhead Lake, Lake Improvement Board was held in the Douglass Township Hall, 3521 W McBrides Rd., Stanton, Michigan on the 8th day of August 2024, at 6:00 p.m.

The hearing of practicability was called to order by Jerry at 6:00 p.m.

PRESENT: Todd Sattler – Treasurer/Drain Commissioner  
Jerry Cook – Chairperson  
Sara Stalbaum-Beechy – Douglass Township Representative  
Daniel Campos – Abutting Property Owner’s Representative  
Phil Kohn – Board of Commissioner’s Representative

ABSENT: All Present

ALSO

PRESENT: Rick Buteyn & Luke Aaron – Progressive AE  
Anne Gaylord & Sara McGill – Progressive AE  
See attached for resident attendance sheet

Jerry introduces the lake board members.

A motion was made by Todd and seconded by Sara to accept the agenda as presented. Motion carried.

A motion was made by Sara and seconded by Todd to accept the minutes of the July 30, 2024; meeting as presented. Motion carried.

Todd explained the procedures of the Hearing of Practicability and the Review of Apportionments and the necessity of both hearings.

Treasurer’s Report

Todd provided a financial update to the Board and the residents, including a current balance of \$19,068.10.

Presentation

Rick made a presentation to the Board and the residents. He provided a proposed budget of \$13,500 annually with \$6,500 for weed control, \$6,000 in consultant fees and \$1,000 for administration and contingency. He explained the roll as a consultant and PLM’s roll as the

applicator. He explained the different types of weeds found in the lake and the herbicides that are used to treat them.

The chairman opened the meeting up to the public for questions and comments.

Bob Martinez asked about blue-green algae.

Rick told the residents that they should call EGLE if they see blue-green algae on the lake. EGLE will work with the health department to sample the algae.

Jim Roskamp asked about treatment of the north side of the lake. He stated that the lily pads just keep getting worse and more clogged with them. He added that the west side of the bay is full.

Rick advised that lily pads can only be treated for navigational purposes and not for beech grooming. He added that he will speak with PLM regarding lily pads in that area.

Bradley Wade stated that they did not receive notice of treatments of the lake and he has small children that use the lake. He would like to be notified.

Rick noted that it was posted the same day as treatment and PLM is following EGLE requirements for posting.

Bradley Wade said that is not enough notification and demanded that they notify sooner than is required so residents can plan accordingly.

Debbie Gray asked if they treat the entire lake.

Rick responded that the lake is treated based on the survey and the needs of the lake. Rick advised of treatment regulations and noted that they can only treat 100 ft of frontage.

Debbie Gray added that she wants her property treated since she is paying for the treatment.

Jack Zimmerman has 6 lakefront lots that never get treated. He added that PLM will not treat his area. He also asked if they are treating for lily pads.

Rick explained that they cannot treat undeveloped areas, and it is considered undeveloped if there is no dock.

Jack Zimmerman noted that his son had to use his boat to make a path through the lily pads which was difficult because the lake is shallow, and lily pads are overgrown.

Rick stated that a lot of people like lily pads, so residents who want them treated should let the Board know so they can advise PLM.

Todd added that the LIB is to treat nuisance natives and exotic invasive species.

Jerry said that the lake needs to be dredged, but that cannot be handled by this board under the current scope of the project.

Mark Hill noted that the bayous are overgrown and new residents are having issues getting out. He added that all sediments float to the east and are causing the depth to drop. He asked if there is anything available to treat the muck and silt.

Rick responded that there are products available for us in Michigan, but studies haven't shown a significant reduction in muck. He added that it shifts the sediment but does not actually break it down.

Jim Roskamp added that there was sand at the bottom the lake 20 years ago.

Rick said that he will look into solutions for the muck.

Jerry asked about dredging permits.

Rick advised that the permits for dredging come from EGLE, and they are very restrictive.

Bradley Wade stated that he saw PLM spraying heavily in an area surrounded by lily pads even though they are not currently supposed it be treating lily pads.

Rick said he will follow up with PLM.

Bob Martinez asked if they only treat the shore.

Rick advised that they treat up to 100 feet from the shoreline.

Bradley Wade asked if there will be follow up from the Board regarding advanced noticing.

Rick advised that Progressive provides surveys and treatment dates to the Board.

Jerry added that they can notify Brad via email moving forward and he is happy to share treatment emails with anyone who wants them.

Debbie Gray asked what they should do if a neighbor is clearing their parcel and dropping trees into the lake.

Rick told Debbie that she should contact EGLE if people are dropping trees into the lake.

There being no further questions or comments from the public, the Hearing of Practicability was closed by the chairman.

The Resolution to Proceed with Improvements was offered for approval to the Lake Board.

**RESOLUTION TO PROCEED WITH  
IMPROVEMENTS TO INDIANHEAD LAKE**

At a special meeting of the Indianhead Lake, Lake Improvement Board held in the Douglass Township Hall, 3521 W McBride Rd., Stanton, Michigan, on the 8th day of August 2024, at 6:00 p.m.

PRESENT: Todd Sattler, Phil Kohn, Jerry Cook, Sara Stalbaum-Beechy, Daniel Campos

ABSENT: None

The following resolution was offered by member Sara and seconded by member Daniel.

WHEREAS, a public hearing was held on the lake improvement program for Indianhead Lake; and

WHEREAS, it is the desire of the Indianhead Lake, Lake Improvement Board to proceed with implementation of improvements to the lake as described in the attached Exhibit A.

NOW, THEREFORE, BE IT RESOLVED THAT:

1. The Lake Board hereby determines that the proposed improvements are practical, and it confirms its intent to proceed with the improvements.
2. The Lake Board hereby approves the lake improvement plan and the estimate of costs for the improvements as shown on the attached Exhibit A.
3. This resolution shall be published in a newspaper of general circulation in Montcalm County. The petition shall not, thereafter, be subject to attack except in an action brought in a court of competent jurisdiction within 30 days after publication.

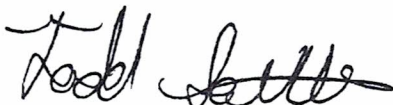

ADOPTED:           AYES:           5

RESOLUTION DECLARED ADOPTED.

STATE OF MICHIGAN        }  
                                      } ss  
COUNTY OF MONTCALM }

I, Todd Sattler, Secretary/Treasurer of said Indianhead Lake, Lake Improvement Board, do hereby certify that this is a true and correct copy of a resolution adopted by the Lake Board at a meeting held on the 8th day of August 2024. Public notice of said meeting was given pursuant to and in compliance with Act 267, Public Acts of Michigan, 1976, as amended.

IN WITNESS WHEREOF, I have hereunto set my hand, this 8th day of August 2024.

---

Todd Sattler, Secretary/Treasurer  
Indianhead Lake, Lake Improvement Board

**INDIANHEAD LAKE  
DOUGLASS TOWNSHIP  
WEED CONTROL PROGRAM  
PROPOSED BUDGET BENEFIT FACTORS  
2024 - 2028  
EXHIBIT A**

<b>IMPROVEMENT</b>	<b>Estimated Cost of Program</b>
Aquatic Herbicide Treatments	\$ 6,500
Professional Services	\$ 6,000
Contingency/Administration	<u>\$ 1,000</u>
Yearly Program Budget	<b>\$13,500</b>

The Special Assessment District for Indianhead Lake includes all properties which border the lake and back lots which have been deeded or dedicated lake access. Special assessments for the project are proposed to be apportioned in the following manner:

**USE FACTORS**

• Direct access	1.0
• Channel access	.50
• Indirect access	.25

Contiguous lots in common ownership will each be assessed as a separate lot based on the above factors.

The hearing for the review of apportionments was called to order by Jerry.

#### Presentation of Special Assessment Roll

Todd presented the tax roll and explained the benefit factor used to determine the amount to assess each parcel.

Jerry opened the hearing up for questions and comments from the public.

Bradley Wade said that he has a lakefront and channel front parcel and asked if there was a way to lower his assessment on two parcels.

Todd advised that he could combine his parcels if they are adjacent parcels in the same plat.

Jack Zimmerman asked about a boat launch.

Todd advised that the Board has discussed the possibility of adding funds for a boat launch at a future public hearing.

Mark Hill offered his boat launch for residents to use.

Many residents expressed concern that a boat launch would increase the number of nonresidents using the lake and that is not something they want.

Jack Zimmerman noted that no one is controlling the bayou area, and many nonresidents are given permission to use the lake in the winter and they all leave their trash.

Robb Urbanski said he is happy with the number of weeds in the lake but would like to see more focus on the algae. He also added that people need to clean up after themselves when they pulled their weeds. He also suggested that a Facebook page for the lake may help to keep residents informed.

Bradley Wade noted that he had to call rescue services last winter for two nonresidents that were on the lake and needed help.

There being no further questions or comments from the public on the Review of Apportionments, the hearing was closed by the chairman.

The Resolution Confirming the Special Assessment Roll was offered for approval by the Lake Board.

**RESOLUTION CONFIRMING SPECIAL ASSESSMENT ROLL  
AND DIRECTING THE COLLECTION OF SPECIAL ASSESSMENTS  
FOR IMPROVEMENTS TO INDIANHEAD LAKE**

At a special meeting of the Indianhead Lake, Lake Improvement Board held in the Douglass Township Hall, 3521 W McBride Rd., Stanton, Michigan, on the 8th day of August 2024, at 6:00 p.m.

PRESENT: Todd Sattler, Phil Kohn, Jerry Cook, Sara Stalbaum-Beechy, Daniel Campos

ABSENT: None

The following resolution was offered by member Sara and seconded by member Daniel.

WHEREAS, the Lake Board, after due and legal notice, has reviewed the Special Assessment Roll prepared for the purpose of assessing the cost of certain lake improvements to Indianhead Lake against benefitting properties; and

WHEREAS, the Lake Board has adopted the benefit factor formula as described in the attached Exhibit A.

WHEREAS, the Lake Board deems said Special Assessment Roll to be fair and equitable;

NOW, THEREFORE, BE IT RESOLVED AS FOLLOWS:

1. The Special Assessment Roll shall be designated as Indianhead Lake Special Assessment Roll. (2024 - 2028)
2. Said Special Assessment Roll in the amount of \$67,500.00 is hereby confirmed.
3. The assessments in said Special Assessment Roll shall be payable in 5 annual installments with the first installment of \$13,500.00 to be due on December 1, 2024, and payable without penalty through February 14, 2025. Subsequent installments of \$13,500.00 shall be due on or before the 1<sup>st</sup> day of the December of each year thereafter and are payable without penalty through the 14<sup>th</sup> day of the February of each year thereafter.
4. The assessments made in said Special Assessment Roll are hereby ordered and directed to be collected, and the Township Clerk of Douglass Township shall deliver said Special Assessment Roll to the Township Treasurer, with his/her warrant attached, commanding the treasurer to collect the assessments therein in accordance with the directions of the Lake Board, and the treasurer is directed to collect the amounts assessed as the same become due.

**INDIANHEAD LAKE IMPROVEMENT PROGRAM  
PROPOSED ANNUAL BUDGET  
2025 - 2029**

<b>Improvement</b>	<b>Annual Cost</b>
Aquatic Plant Control	\$6,500
Lake Management Consulting	\$6,000
Administration and Contingency	\$1,000
<b>Total Annual Cost</b>	<b>\$13,500</b>

### **Aquatic Plant Control**

The Indianhead Lake improvement program will include the select use of aquatic herbicides to control aquatic plant growth. The plant control program will focus primarily on invasive species such as Eurasian milfoil and curly-leaf pondweed.

Eurasian milfoil (*Myriophyllum spicatum*)

Curly-leaf pondweed (*Potamogeton crispus*)

Starry stonewort (*Nitellopsis obtusa*)

### **Lake Management Consulting**

Plant control activities are proposed to be coordinated under the direction of the board's environmental consultant. The consultant would be responsible for preparing bid documents and/or contract extensions for the plant control program, assisting the lake board with the selection of the plant control contractors, conducting GPS-guided surveys of the lake to determine the scope of work to be performed by plant control contractors, and performing follow-up inspections to ensure work is performed in a satisfactory manner. The consultant would report to the lake board regarding the performance of the plant control contractors and would make recommendations to the lake board regarding payments to the contractors. Consultant administrative services would include periodic attendance at meetings, the review and processing of contractor invoices, and assistance with public hearing proceedings.

### **Project Administration**

Project administration would include costs related to legal notices and hearing proceedings, postage, copies, mailings, and meetings.

INDIANHEAD LAKE  
PUBLIC HEARING  
LAKE IMPROVEMENT BOARD

Douglass Township Hall  
July 30, 2024  
6:00 P.M.

ATTENDANCE RECORD
