Public Comment

No public present.

Treatment Update

Rick provided a treatment update to the board, including a map of the areas that were treated on May 29. He noted that the next survey is scheduled for June 25 and treatment will be completed after the 4th of July unless there is a huge bloom in the meantime. Rick added that there will likely be more total growth this year since there was such a mild winter and very little ice. Bob asked about the use of aquicide pellets to treat the purple loosestrife that they are unable to spray. Anne asked if that could be covered by the LIB. Rick said no, that would need to be handled by the lake association. Rick advised that he will reach out to the applicator for more information.

Financial Update

Anne provided a financial update to the board, including a current balance of \$64,137.17. She noted that the account has earned almost \$1,100.00 in interest since the last meeting and settlement was received in May. Anne asked the Board if they would like to continue to assess the same \$32,200.00 that was assessed last year. Bob and Sandy said yes.

Other Business

Anne advised the Board that the next meeting is scheduled for September 12, 2024 at 3:00 pm.

There being no further business to come before the Lake Board, a motion was made by Bob and seconded by Sandy to adjourn the meeting at 3:26 p.m. Motion carried.
